L.I.T. Program Level 1: Level 1 is designed to provide trainees with the basic understanding of leadership skills, professionalism and running a small group activity. In this level trainees will begin to implement these skills by assisting counsellors to run group activities.

L.I.T. Program Level 2: Level 2 is designed to teach trainees advanced leadership skills giving them opportunities to lead small groups independently. Trainees in this level will also begin to learn skills of helping children problem solve challenging situations. (Prerequisite is completion of Level 1)

**Report Cards evaluating trainees, as well as certificates of participation or completion of a level, will be given. Participation in a level does not guarantee completion of the level
